

**HARTPURY**  
UNIVERSITY

Programme Information Sheet for 2020 entry

---

## **BSc (Hons) Equine Management (Level 6 entry)**

UCAS Code: DNKL

**Award on completion of programme:** BSc (Hons) Equine Management

**Professional body accreditation:** None.

**Location of study:** Hartpury University.

**Length of programme:** One year full-time. Part-time options are available, and students may be advised to complete the course over two years based on academic experience and performance to support their achievement

**Language of the programme:** This programme is taught in English.

### **Entry Requirements:**

**General:** A Foundation Degree or HND in Equine Science or an equine-related programme. Applicants with non-standard entry criteria or extensive industry experience will be considered by the programme team, and should contact the university to arrange an informal conversation

**Mature and international applicants:** Mature and international applicants are welcomed. Mature applicants that are not applying for a programme straight from formal education will be expected to demonstrate suitability for the course, and are encouraged to contact the university to arrange an informal conversation.

In the case of international applications, we will attempt to establish the equivalency of qualifications and the same criteria and assessment is used as for home students. An IELTS English qualification is expected for international applicants without a GCSE Grade C or above (or 9 to 4 where numeric grades are being awarded) in English Language.

If you have completed learning towards a university level qualification, perhaps at another institution or with a professional body or have relevant work experience then you may be able to gain credit for this. For further information please contact our Admissions team, who will be pleased to help you.

Personalised offers will be made to each applicant based on their own merits. Non-academic and academic achievement will be considered.

**Timetables:** Both full-time and part-time students on the programme will start in September 2020. This programme is taught over two semesters, normally consisting of 12 weeks of scheduled teaching and then assessment weeks. The academic calendar can be found at: <http://www.hartpury.ac.uk/uni-termdates/>. During scheduled teaching you will have a day without timetabled sessions to support you in managing your workload, gaining valuable volunteering and work experience and completing part-time work. Timetables are normally available during registration. Please note that while we make every effort to ensure that timetables are as student-friendly as possible, scheduled teaching can take place at any time between 8:30 to 20:30 Monday to Friday, although Wednesday afternoons are normally reserved for sports and cultural activities. Part-time students should be advised that as their route is dependent on the full-time course's timetable there is the possibility depending on the modules chosen that the student could be required to attend five days a week.

**Programme Composition:** This programme is comprised of different modules, which focus on specific subjects. The modular structure of the programme gives you flexibility and choice and you can attend introductory sessions for optional modules before having to finally decide which ones you wish to study. We usually offer all optional modules available to students however if we believe that we are unable to offer a high quality student experience (which can be particularly affected by low student demand) then we may make the decision not to offer it. If an optional module will not be run, we will advise you as soon as possible and help you choose an alternative module. Our teaching is informed by research, and modules change periodically to reflect developments in the discipline. These changes are informed by both industry and student consultation.

On completion and passing of these modules you gain academic credit that accumulates towards your overall award and outcome. The modules contain mixture of scheduled learning, independent learning and sometimes learning whilst on work placement. Students will receive approximately 12 hours scheduled contact per week in lectures, seminars and practicals although this number may vary depending on optional module choices. In addition, students are expected to dedicate at least two to three hours of independent study per contact hour. Some modules may bring in guest lecturers to provide topical and industry-relevant talks.

	<b>Scheduled Contact Learning (%)</b>	<b>Placement Learning (%)</b>	<b>Independent Learning (%)</b>
<b>Year 3 (Level 6 Entry)</b>	23	0	77

## Compulsory Modules

### Year 1:

- Applied Research Project  
Students will undertake an independent research project and supply a detailed analysis of the findings with the 1:1 support from an academic supervisor
- Investigative Skills for the Successful Undergraduate  
Students will develop research and analysis skills to help them with their applied research project
- Developments in Equine Science  
Discussion about advances in equine science and its application in the industry
- Applied Business Management  
Understanding how animal businesses are managed within their industry with regard to the development of business and the ethical considerations

**Optional modules:** Optional modules on this programme cover the areas of Equine Behaviour and Welfare, Equine Therapy, Equine Nutrition and Project and Small Business management.

**Assessment Method:** You will be assessed through a mixture of written exams, practical exams and coursework. Many of the modules will be marked based on a mixture of assessment types, whilst others will be based solely on one type of assessment.

	<b>Written Examination (%)</b>	<b>Coursework (%)</b>	<b>Practical Examination (%)</b>
<b>Year 3 (Level 6 Entry)</b>	19	43	38

**Discounts and special support associated with enrolling on the programme:** Hartpury also subsidises optional short courses for a reduced cost that give students the opportunity to gain relevant experience and qualifications prior to graduation. These are in addition to the discounts Hartpury usually offers to its students, such as free Wi-Fi on site and Microsoft Office packages etc. There is lots of support available to you whilst you study including allocation of a personal academic tutor that you will meet for 1:1 sessions and other services detailed at: <http://www.hartpury.ac.uk/university/facilities/life-at-hartpury/student-support/>

**Costs associated with the programme:** The cost of the programme will be £9250 per year for UK and EU students subject to government approval. We will only increase our fees in accordance with guidelines laid down by the Office for Students (OfS). Students are encouraged to engage in various trips and visits as part of the programme. A comprehensive package of non-repayable financial support is available to facilitate engagement with placements and study tours / trips where additional costs are involved.

For part-time costs please refer to the Hartpury Fee policy:
